

# We are holding a magnificent Christmas Fair

on

## Tuesday December 6<sup>th</sup> 5.00-7.00

We are looking for willing helpers to assist us to man some of our stalls, or help with preparations, so if you can spare some time please give your name in at the school office, or join us at our next 'Puzzle Partners' meeting, on Tuesday 8th November at 7.00p.m.

We also have space for stalls if there are any parents who wish to sell Christmas themed products. There will be a charge of £10 per table. Once again, please give you details in at the school office if this interests you.

To make it easier to take part in all of our activities without the need to arm yourselves with a pocket full of change, we are selling books of tickets. Each ticket can be exchanged for one turn at an activity. Most activities cost one ticket with the exception of face painting which costs two tickets, or visiting Santa, which costs £2. Refreshments are also various prices.

Tickets are sold in sheets of eight, at £2.00. Additional sheets of four tickets can also be purchased at £1 each.

Books or sheets of tickets can be purchased from the office in advance - or at the event.
